

ANNUAL REPORT-2015-16

Dear friends,

It gives me great pleasure in presenting the Annual Report 2015-16 of Sakaar Outreach. We started our journey a decade back with a community health care programme with like minded associates. Since then all these years have been very eventful for me because we moved forward towards our goal of conducting meaningful exercise for the empowerment, upliftment and well being of the urban poor living on the fringe of our great city. These families who just manage to earn a living and constitute a sizable portion of our population need a window of opportunity to help them realize at least a part of their aspirations. They need all our care, love and nurturing to help them grow with us.

Since inception from a small beginning of working on health and vocational training issues, Sakaar Outreach has today made significant inroads in the field of education, vocational training, HIV/AIDs, women empowerment, health, environment, strengthening human capabilities etc. They have built institutions of self governance at the slum community level. Sakaar Outreach has undertaken various programmes and functions through its 14 community based centres in Delhi, Gujarat, Haryana, and Uttarpradesh.

Sakaar Outreach is today considered an oasis by many and continues to grow and make an impact on the lives of thousands of people. Sakaar Outreach has endeavored to provide equal opportunities to the underprivileged. Education and empowerment of women continues to be the core concern of our organization as it seeks to improve the quality of life in a country where women lag behind men in every aspect of life.

Credibility based on transparency is the main strength of our organization, which has always been striving to practice the best norms in human relation and man management.

We firmly believe in our work and that speaks for us. Sakaar Outreach has persevered for the past 15 years and will continue to do so in the future, We serve with dedication, absolute honesty, complete transparency, single minded commitment and heartfelt passion. This is our objective and we will never compromise on these basic principles.

This annual report will give you an idea of the kind of activities we have been involved in. Today we are at the threshold of the next big step. We have learned over the past years and we hope to convert that knowledge and experience into action for the greater good of the people we serve.

I would like to take this opportunity to thank and acknowledge the contributions made by several people from different walks of life in support of our cause. Last but not the least I would like to specially mention the services rendered by the team of Sakaar Outreach without whose active effort and support we could not have reached our goals.

Warm regards,

Gayatri Prakash
Founder & General Secretary

ABOUT SAKAAR OUTREACH

Sakaar Outreach is a voluntary social organization, registered under the Societies Registration Act, 1860. Founded in 2001 by like-minded people who joined hands for a common mission. It is running fifteen centers in New Delhi, Gujarat, Haryana and UttarPradesh,

MISSION

- ❖ To reach out and touch lives.
- ❖ Poverty alleviation by creating employability and income generation amongst less fortunate.
- ❖ Empowerment of women and children through education, vocational training and creating healthcare facilities.

VISSION

Sakaar Outreach envisions an India which believes in equality amongst all, fosters a safe and secure environments for women and children and nurtures its ecosystem.

PHILOSOPHY

Sakaar Outreach believes that education is an inherent right and the only way by which we can transform the individual, the family and the nation is by providing means of getting educated. Education and empowerment make it possible to break away from the cycle of poverty and convert dreams into realities..

LEGAL STATUS

SANITATION FOR EDUCATION

MOBILE ALLIANCE FOR MATERNAL

EDUCATION- “Education is not preparation for life; but education is life itself”

In PROF. JANARDAN PRASAD BAL VIKAS SHIKSHA KENDRA which we run in eight different locations in New Delhi. The purpose of this programme is to give sustainable education to disadvantaged children from 4-18 years, especially girls in communities, largely migrants. It is an initiative that brings the joy of exploration, discovery and lifelong learning to children who are first generation learners, lacking opportunities or access to good quality education so that these schools can deliver the best in learning, vocational skills and support for mainstreaming the children from poor households into formal education. An integrated quality education that is relevant to their needs. Since most of the slums are not served by even a primary level school, the children living in these areas are either earning a living by the side of their parents, or are looking after younger siblings, or simply idling away in safe environments. Even if they are sent to school, a majority of them drop out by class 5 since the structured school system is difficult to cope with and they get no help from their parents, who are mostly non-literate.

SHIKSHA KENDRA

Sakaar Outreach SHIKSHA KENDRA is operational in Delhi Public School premises at Vadodara, Gujarat with the same facilities and faculty as are available to the 'regular' students of DPS. The SHIKSHA KENDRA is based on the philosophy of inculcating life skills in children and making learning a joyful process. At SHIKSHA KENDRA, we provide stationery, uniforms, school bags, shoes and food free of cost to the children.

COMMUNITY DEVELOPMENT PROGRAMME

We conducted regular contact programmes with community members where, apart from school related issues, we discuss and impart information on various social issues such as

- Development of psycho-social skills for care of infants and children
- Development of organizational skills
- Motivating parents to send their children to school
- Encouraging parents towards immunization and vaccination
- Child care practices and maintenance of records
- Social awareness and responsibilities
- Citizen rights and responsibilities
- Creating support groups for parents
- Creating youth associations
- Self defense training
- Disaster Management – man-made as well as natural
- Assistance on medical, physical, social and spiritual levels

LIBRARY(Bringing books and children together)

Library plays a crucial role in the learning process of first generation learners. This is done through promoting the habit of reading amongst the children.

- ❖ **Holistic Development of child:** The formal schools and even the learning centers aimed at holistic development of child with equal emphasis on curriculum, value education and latent talent development.
- ❖ **Library classes:** Library classes were incorporated into the timetable of each class in order to inculcate a habit of reading amongst students.
- ❖ **Individual attention:** Individual attention was given to every child, specially the weak, to encourage equal participation and to ensure that no one lags behind.
- ❖ **Special classes:** Additional coaching was given to students who were weak in studies.

ANMOL NARI VIKAS KENDRA

SAKAAR OUTREACH's skill training programme further ensures self reliant and secured future for the beneficiaries. The aim is to empowering women through income-generating activities. It is an integrated approach to train women to make them self-sustainable. Self-help groups are formed regularly and with every new group, a few more women find their voice and move towards self-reliance by training themselves in various skills, savings and credit, loaning and inter loaning. We also organize health camps along with free distribution of medicines. After the completion of the course women are either self-employed or are working in various export houses / boutiques and MNC's.

Komal learnt Beauty culture and started her own parlour now she is earning Rs, 10 to 12 thousand a month.

Sazda learnt dress making and started her own boutique now she earning Rs. 8 to 10 thousand a month.

Recreation for Senior Citizen

We work towards the care of the elderly with the aim of providing them a place where they can come and spend their time leisurely, share their real life experiences, play various indoor games, read newspaper and watch TV as per their desire. We also organize religious and awareness programmes, free health check-ups and provide nutrition to them.

GENDER RESOURCE CENTRE-SK

In the two Gender Resource Centers, at Meethapur Badarpur and Ambedkar Nagar, (South Delhi). We conduct Non-Formal Education classes, Adult Literacy Prog. Vocational training, awareness in health and hygiene, health camps, nutrition demonstration, legal advocacy, formation of self-help groups, water and sanitation awareness, mass awareness campaign, Awaz Uthao Campaign, etc. Information and facilitation of Govt.Schemes like Ladli Yojana,, widow pension, old age pension, grievance redressal, ration card, UID, Swarna Jayanti Shahari Rozgar Yojana (SJSRY) Rashtriya Swasthya Bima Yojana , Annushree Yojana etc.

Health & Hygiene

5109 beneficiaries took advantage

LEGAL ADVOCACY AND COUNSELING

Once a week, a lady advocate comes to counsel the beneficiaries and answer their queries on various issues like dowry, property disputes, domestic violence, divorce, child rights, rape, etc.

| s. no. | Beneficiaries covered under Mass Awareness Camps | No. of Individual Counseling Cases | No. of cases resolved | No. of cases referred to DLSA | Followup cases |
|---------------|---|---|------------------------------|--------------------------------------|-----------------------|
| 1 | 1191 | 81 | 22 | 2 | 51 |

FORMATIONS OF SELF HELP GROUPS

15 new Self-Help Groups are formed during this financial year and we conducted regular meetings, cultural activities, training programmes and exposure trips for them. Currently, the total no. of SHGs are 52.

NUTRITION & DEMONSTRATION

In this program our main focus is to bring awareness about malnutrition in pregnant women, lactating mothers, children, adolescent girls, old age people etc.

SUVIDHA KENDRA

In Suvidha Kendra we provided information to around 11321 beneficiaries regarding various Govt. Schemes like a) Ration card, b) Voter Id Card, c) Birth and Death Certificate, d) Caste Certificate, e) Disability Certificate, f) Affidavits / Declarations, g) Bank Account, h) Old Age pension, i) Ladli Yojana, j) Swarna Jayanti Shahari Rozgar Yojana (SJSRY), k) Disability Pension, l) Rashtriya Swastha Bima Yojana Card (RSBY), NIOS, Vocational training and medical facilities etc.

WATER SANITATION AWARENESS PROGRAMME

In this programme we conducted activities on personal household hygiene, handwas practice and sanitation along with this we formed Health Champion groups in the community and entire community took benefit through health champion group.

AWAZ UTHAO CAMPANIGN

We organized public meetings for women and others in the community to raise their voice against the violence. We also invite senior officials from various departments to interact with the general public to understand the problems and to create awareness. It was an initiative to support women in distress, including situations of sexual harassment, assault and rape. In this we formed collective groups who not only supported the victim but also worked on the preventive measures for crimes of such nature.

TARGET INTERVENTION PROGRAM-FSW & TMI

In two Target Intervention Program we are working with 1500 female sex worker and 500 migrant population in Delhi and Ghaziabad and our main focus is to instill in them the desire of healthy life by practicing safer sexual methods. Knowledge of HIV/AIDS is limited and we make the community at large and sex workers in particular more aware about this incurable disease. We also conduct vocational training programs for those woman and girls who wants to come back in the mainstream of life.

Activities

- 🚫 Display of BCC material.
- 🚫 Social and cultural activities.
- 🚫 Meeting with FSWs related to problem sharing, network building, discussion focused on HIV/AIDS and STI/condom promotion / demonstration..

stakeholder meeting

community Mobilisation

DIC meeting

Vocational training program

“Beauty culture & Cutting Tailoring Classes”

ENVIRONMENT

To support the mission of “Green India, Clean India” (Swachh Bharat Abhiyan) Sakaar Outreach also work for the healthy environment and planted ample of trees in Delhi and NCR region.

COMMUNITY DEVELOPMENT/CLUSTER ADOPTION

Sakaar Outreach has also adopted various clusters and is working for the complete development of the communities along with household waste management.

SANITATION FOR EDUCATION

The main objective of the school sanitation programme is to create good school environments and to improve the health of the students, which again will help them in their physical, mental & emotional growth. To raise awareness and understanding of the impact of the physical and cultural environment on children’s health in schools; To increase the priority for developing environments in schools that promote health hygiene and sanitation

STREE PLAYS

Sakaar outreach develops plays on women empowerment & education and tries to touch the hearts of the people through generating awareness on the said issues as this medium breaks the formal barriers and approaches the people directly.

CAPACITY BUILDING TRAINING

Capacity building is ultimately about improving organization's ability to fulfill its mission and deliver services. Hence, this year we have provided a full and wide range of training for all activities for all categories of staff.

MOBILE ALLIANCE FOR MATERNAL-mMitra Project

Designs and implements sustainable interventions to reduce maternal, neonatal and child mortality and morbidity in underprivileged urban and rural communities in India. It achieves this by identifying and addressing systemic gaps in both health services delivery and community health care seeking practices, by adopting a multi sector evidence based community needs assessment approach. This program makes innovative use of technology to develop viable interventions and to maximize outreach.

INTERNSHIP TRAINING PROGRAMS

Students from the following colleges/institutes attended their internship training with us.

1. IGNOU

2. NMIMS, Mumbai
